Synopsis

A still, blank sheet of paper. A silhouette appears delineated beneath its surface. Here is our hero, TIS. He struggles and manages to free himself from the sheet of paper, but his feet remain attached to it. In the distance, he sees a crowd of beings similar to him. TIS tries to catch up with them but the sheet of paper he is attached to hinders his movements.

A graduate of the FEMIS in cinematography, and passionate about animation, Chloë Lesueur is drawn to stop-motion animation starting with her graduation project film "LOU" in 2011. She then directs her first short-movie "TIS" while doing stereography and cinematography work for multiple live-action, stop-motion and 3D animation productions.
